It is the policy and practice of the Catholic Archdiocese of Adelaide that individuals who have a responsibility through their role within the Archdiocese in either a paid or voluntary capacity, are required to undergo a Department of Human Services (DHS) Working with Children screening which is processed through the Archdiocesan Screening and Verification Authority (SAVA). This screening is used as part of the assessment process to determine a person's suitability for employment or volunteering within the Archdiocese or its affiliated organisations.

**Note:** It is important to be aware that volunteers who provide occasional service may or may not be subject to this screening requirement. Determination around this is dependent upon the type of role, frequency of service provision and level of supervision applied. Locations should refer to their Screening and Verification Guidelines.

**LODGEMENT** – SAVA undertakes direct lodgment of applications and monitors the ongoing status of checks direct with DHS on behalf of all the Archdiocesan locations.

Authorised personnel at the locations are required to verify identification and ensure that **all details requested on the form are provided and writing is legible**. This form must then be forwarded by the location where the service is to be provided direct to the Screening & Verification Authority.

**FINALISATION OF OUTCOME** – Upon completion of processing, individuals will be provided with notification from DHS and if clearance is granted, a SAVA Catholic Clearance Card will be issued. There is no cost to individuals for checks conducted through SAVA via this form.

Standard processing time will be approximately 30 days, however in more complex cases processing can take up to 12 weeks.
