

**MERCEDIS  
COLLEGE**

## Netball Coaching Opportunities

### Are you passionate about Netball and Coaching?

Mercedes College is seeking enthusiastic and dedicated people to join our **Winter Sports Programme in Terms 2 and 3 as Netball Coaches**. This is a fantastic opportunity to stay involved in the sport you love, while helping our young students develop their skills and confidence.

#### Coaching Support

Mercedes College has a dedicated Director of Netball and a strong network of experienced Netball coaches happy to guide those new to the role. Our Open teams are led by coaches with Advanced, Intermediate and Foundation qualifications, providing a great environment to learn and develop as a coach.

To support our growing programme, we are currently seeking up to six coaches to work with our **Middle Years teams (Years 7 to 9) during the winter season**.

**The commitment requires approximately four hours of your time each week – one mid-week training session and a Saturday morning game) – and you'll receive a paid honorarium in return.**

**Coaching is a great way to remain involved with a sport you enjoy, and benefit from:**

#### Valuable Experience

Develop and strengthen your coaching skills in a supportive school sporting environment.

#### Mentorship

Receive guidance and support from experienced sports staff.

#### Leadership Skills

Make a meaningful impact on students through sport, teamwork, and positive role modelling.

#### Community and Networking

Become part of the vast and vibrant Mercedes College sports community.

#### As a Netball Coach you will:

- Plan and run engaging training sessions
- Support player skill development and strategic understanding
- Encourage teamwork, sportsmanship, and confidence
- Work with the Director of Sport, Team Manager, and Sports Department for scheduling and logistics
- Help create a positive and enjoyable sporting experience for students

#### Get in touch

If you'd love to be part of a great College environment and contribute to our Netball programme, we'd love to hear from you.
